PRESS ON BAND

ATIRE

RUNNERBAND

With this design focus, our Press On Band efficiently runs up and down 24/7 with longest life time. Therefore, we call it **ATIRE RunnerBand**.

Our **RunnerBand** is designed for highest output in heavy duty applications. A low heat built-up inner compound is combined with maximum volume of premium tread rubber. The performance can be tracked with unique tread-wear indicator.

**24/7
OPERATION**

Constant operation ensured by low heat built-up inner cushion compound

**EXTRA
LIFETIME**

Maximum volume of chunk and wear resistant tread rubber compound

MADE IN SRI LANKA

Our refined manufacturing process with the finest of Sri Lankan natural rubber has helped us produce millions of solid industrial tires under strict quality control. We utilize only the best chemicals approved by the European Chemical Directive (REACH).

All tires are designed in compliance with European Tire and Rim Technical Organization (ETRTO) specifications to ensure full load capacity and safety standards.

EXTRA TRACTION

Resilient RunnerSolid tread pattern combines traction with durability

CEYLON RUBBER

Our tires are manufactured out of Sri Lanka's finest natural rubber
